

AUTO DEALERS ADOPT BY-LAWS

Meeting Last Night Brought Out Much Enthusiasm From Members Present.

By-laws were adopted at the meeting of the Richmond Automobile Dealers' Association held last night in the club rooms of the Richmond Automobile Club. The laws finally agreed upon are practically the same as those governing a similar organization in Philadelphia, with such changes as local conditions made necessary. President L. M. Folger presided and every member present felt gratified at the progress made. An adjourned meeting will be held next Friday night at 8:30 o'clock, when several details of organization will be discussed.

A board of directors, consisting of L. A. Folger, chairman; R. B. Allport, Mark R. Lloyd, B. A. Blenner and Boyce Bland, was elected. The board of directors will have charge of contests, advertising and similar matters. The membership committee will consist of the president, vice-president and the members of the board of directors. Each dealer is entitled to one active member of the association.

EXPECT TO WIN TO-DAY'S CONTEST

McGuire's Team Will Battle With William and Mary's Fast Bunch.

McGuire's will meet William and Mary on the latter's diamond at Williamsburg today. Last year McGuire's won from William and Mary with a score of 4 to 2, and William and Mary is determined this year to get back at them.

With six men back from last year's championship team, it is not likely that McGuire's will fall far below their usual style, which has already shown in several games this season. Stanley Bluffs, who is now with Norfolk, coached McGuire's the first part of this season, and has turned out several very good men, who are expected to show up well in the game to-day.

Spencer will probably pitch for William and Mary, and Captain Hulcher will twirl for McGuire's, while Stiles will catch. Scott will play first; Smith, second; Coghill, third; Paschall, shortstop; Graves, left field; Anelli, center field, and Gregory, right field.

REVELLE MAY GO TO PORTSMOUTH

Former Richmond Twirler Said to Have Been Signed by Castro.

[Special to The Times-Dispatch.]
Lynchburg, Va., March 29.—If there is anything in a report from Portsmouth that Manager Castro has secured the services of "Dutch" Revelle, Arlie Britton, Hugh Murray and J. L. Watson from the Atlanta (Southern) team, then Castro has "slipped one over" on the Richmond team, especially when he secured Revelle.

Last fall Revelle went to New York from Richmond by purchase, and was turned over during the winter to the Atlanta team, along with Ira Hogue, who now bids fair to stick with the "Crackers." Had Revelle transfer to New York been under the drafting rule Richmond would have had the first call upon his services when he was turned over to a C. class circuit club. Now, if the transfer has been made, as reported, Portsmouth will be putting Revelle back where he started his career seven years ago, and Richmond can have not a word to say.

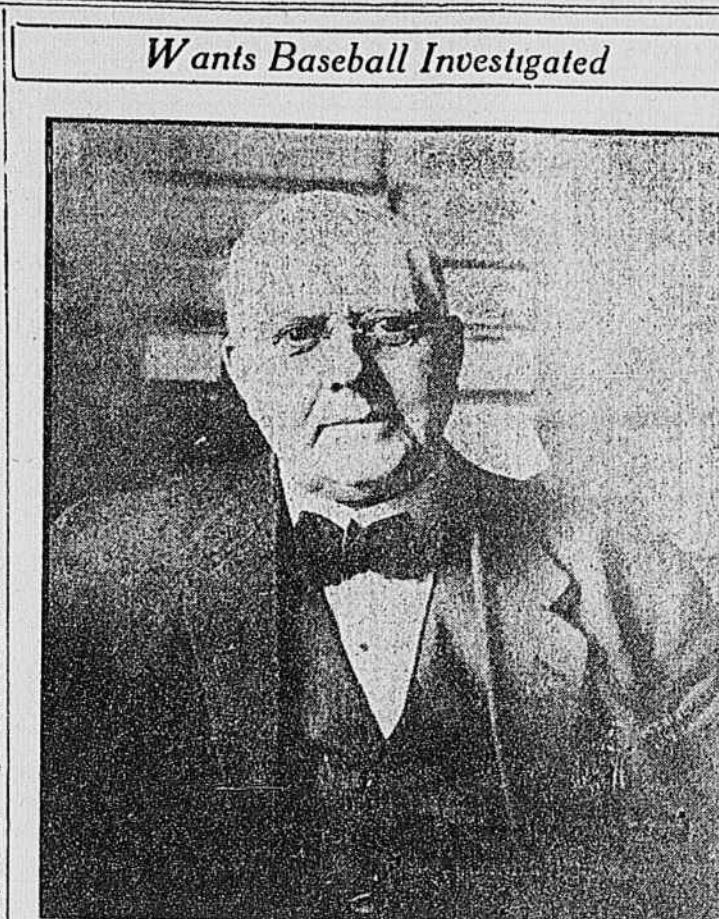

Julie Watson, an outfielder in the same bunch, played his first ball in the Virginia League in 1904. He was brought to the local team by Jack Grim, who later turned him over to Roanoke, where he finished the season. Next year he was in the Carolina Association, from where he went to the Southern Association, where he has played several seasons with fairly good success.

There is no doubt if Castro gets this quartet that he will have good men in the positions to be filled by them.

Bowling

The Vaughan-Robertson and the Powers-Taylor Druz Company teams played a very interesting series at the Newport Albers last night before a large crowd of interested spectators. Both teams put up good games, the Powers-Taylor boys finally coming out victorious by winning two out of three games. Toon was easily the star of the evening by his classy rolling. Captain Littlepage played a very consistent game. Phipps was way off in his bowling, and he could not make his usual score. The scores:

BAPTISTS WILL MEET A. AND M. WHITE ELEPHANTS IN SECOND PLACE

[Special to The Times-Dispatch.]
Wentzville, N. C., March 29.—A. & M.'s first track meet of the 1912 season will be with Wake Forest College at Wake Forest, to-morrow. During the last three years the greatest rivalry in this branch of athletics has sprung up between the two schools, the difference in the number of points in the last three dual meets never varying more than ten or twelve.

Nothing very much is known in regard to the strength of the track team of the Baptists this year, but the team that will represent the Red and White has been working under more favorable conditions than ever before. A coach for the first time since track athletics was taken up here, Eddie Greene, the famous University of Pennsylvania track as well as football star, being now actively in charge of the squad.

The old men back are Captain Trotter, Hurtt, Floyd, Smith, Robertson, Melver, Sullivan, Nichols, Nash, Poter and the famous University of Pennsylvania track as well as football star, being now actively in charge of the squad.

The schedule as announced by Manager Brice L. Caldwell is as follows:

March 29.—Wake Forest, at Wake Forest.

April 2.—Guilford, at Guilford.

SEEKS TO DEVELOP TRACK ATHLETICS

William and Mary Coach Plans Field Meet on Cary Field in April.

[Special to The Times-Dispatch.]
Williamsburg, Va., March 29.—Coach Young of William and Mary, is striving to put track athletics into shape at this college with a view to having representation in the annual athletic intercollegiate meet to be held on Lambeth Field, University of Virginia, on April 11. About a dozen men have been working hard for some time, among the most promising being Alford, Norrith, Carey, Jackson, Mitchell, Jack Wright and Doid. McAllister is working on long distance.

Dr. Young proposes to hold a field meet on Cary Field, April 6, at 1 P. M., and from the men making the best records on that day will be picked the representatives to the intercollegiate meet.

The William and Mary baseball team met with another misfortune a few days ago when C. C. Watts, catcher, had the small bone in one of his legs fractured in a practice game. Watts is a freshman, but was one of the most promising aspirants for the position of catcher. The danger of a fracture of last season, has decided not to re-enter college for the last term, and this has added another blow to the prospects of the Orange and Black team this spring.

Dr. W. J. Young, coach and physical director of William and Mary, has returned from a visit to the high schools of Suffolk, Portsmouth, Hampton and Newport News, where he went in an attempt to organize the Tidewater Intercollegiate Athletic Association. The idea of the association is to promote friendly rivalry and co-operation for the furtherance of athletic sports, and to bring together the students of the various schools as participants in field and track athletics. The association is to be under the auspices of William and Mary, and an annual field day is to be held here each spring. The schools are considering Dr. Young's proposition, and favorable action is anticipated.

OXFORD FAVORITE OVER CAMBRIDGE

Annual Race on Thames Course Will Be Rowed To-Day.

LONDON, March 29.—The Oxford and Cambridge crews will row their annual race on the Thames course from Putney to Mortlake, about four miles and a quarter, to-morrow. Oxford, the dark blues, is the favorite. The start will be at Putney at 11:20 A. M.

Both crews appear trained to the minute, but the superior weight and physique of the Oxonians are expected to carry them to victory, in what may turn out to be a punishing race. The Cambridge crew has a nippy style, which in calm weather and smooth water is likely to give them a lead at the start, but experts are practically unanimous that the long stroke of Oxford is bound to tell later. If the trials during the training days indicate the speed of the crews, the race should be a fast one. Both crews are expected to be in excellent form, besides using the bat with great efficiency.

Reid and Moore, of the pitching staff, are also men of much ability. The team left Friday evening, and it is expected that a creditable score will be brought back against the strong V. M. I. team.
